

ANDONG TOUR

1

HAHOE VILLAGE AREA

This is a clan village of the family, Pungsan Ryu(豊山 柳氏), and obtained Hahoe since Nakdong River flows around the village. It is the most appropriate place to understand traditional culture as the buildings from the early Joseon Dynasty and the folk culture of Hahoe Byeolsingut Talnori and Seonyu Jubulnori remain intact. UNESCO registered Hahoe village, which has outstanding universal value as a cultural heritage of humanity, as a World Heritage Site in 2010.

- Summer season (April–September): 9:00 AM–6:00 PM
- Winter season (October–March): 9:00 AM–5:00 PM
- SBS drama "Ghost" (2023), MBC drama "Lovers" (2023), etc.
- "Allen + 1 Part 1" (2022), "Gwanghae, The Man Who Became King" (2012), etc.
- 2-1, Hahoejongsae-gil, Pungcheon-myeon, Andong-si
- 054-852-3588
- www.hahoe.or.kr

Byeongsan Seowon, built by Seae Ryu Seong-ryong in 1572 (the 5th year of King Seonjo's reign), arranged its buildings to actively embrace the outstanding river and mountains surrounding it. Among these buildings, Mandaeru is the height embracing nature and demonstrates the excellence of architectural thinking. Byeongsan Seowon was highly regarded for its architectural beauty and outstanding universal value and was registered as a World Heritage Site in 2019.

- Summer season: 9:00 AM to 6:00 PM, Winter season: 9:00 AM to 5:00 PM
- "Chihwaseon" (2002), etc.
- 386, Byeongsan-gil, Pungcheon-myeon, Andong-si
- 054-858-5929

The strangely shaped precipices and the slowly flowing river form a picture, and the Hahoe Village seen from the top creates a sense of mystery.

- San 23-3, Gwangdeok-ri, Pungcheon-myeon, Andong-si

Chehwajeong is a pavilion built in 1761 by Lee Min-jeok, a scholar of the late Joseon Dynasty. Different flowers bloom in each season, so you can see its beauty even if you visit it in all four seasons.

- Sangni-ri, Pungsan-eup, Andong-si

There are places like this as well!

Gail Village

This village has visual attractions such as Byeonggok Head Residence, old houses of Sugok and Namcheon, Gagok reservoir and the history and culture museum.

- Gail-gil, Pungcheon-myeon, Andong-si

Homin Reservoir

This is a place where you can enjoy the scenery of Homin reservoir while walking along the 3.2km circumference path.

- Gajeon-ri, Pungcheon-myeon, Andong-si

ANDONG TOUR

2

ORIGINAL DOWNTOWN AND ANDONG DAM AREA (CENTRAL PART)

Confucian Land

This is a theme park-type experience center with Confucian culture, the root of Korean spiritual culture, as its central theme. This Confucian Land created an edutainment (education + play) space where family tourists can understand difficult Confucian culture. There is an exhibition experience hall where visitors can learn about the growth and life of scholars of the Joseon Dynasty.

- 346-30, Gwangdang-ri-ro, Andong-si
- 054-820-8800
- www.confucianland.com

Zootopium

This is an animal and plant experience theme park where you can directly experience over 200 species of creatures. The indoor consists of a plant hall, a rare insect hall, a reptile hall, an amphibian hall, a turtle hall, a mini animal hall, and a rare bird hall. In the outdoors, there is a garden and a mini zoo where you can enjoy various things to see and experience. You can enjoy also a wonderful night view.

- 346-95, Gwangdang-ri-ro, Andong-si
- 054-859-5988
- www.zootopium.com

Wolyeong Bridge

Wolyeong Bridge, the largest wooden bridge in Korea, has beautiful illumination at night. Fountains installed on both sides of the bridge spurt cool streams of water. They say that if you take a picture at the octagonal pavilion located in the center of Wolyeong Bridge and make a wish on a Moon boat under Wolyeong Bridge, your wish will come true.

- KBS2 Entertainment: "2 Days & 1 Night" (2023), SBS Plus ENA Entertainment: "1 Am Solo" (2023), etc.
- 569 Sanga-dong, Andong-si
- 054-857-9783

Gureume & Yeumteo

Gureume, a traditional resort, is a new concept resort that reflects the values of convergence and consilience on living culture, and is connected to Yeumteo, a space for lodging, personality education, and traditional culture, allowing guests to enjoy physical rest and mental recharge at the same time.

- 190, Minsokchon-gil, Andong-si
- 054-823-9001
- www.gureume-andong.com

Naksang Mulgil Park

This park is called Korea's Giverny or Andong Secret Forest. Taking pictures at photo zones hidden throughout the area will make you feel like you are Monet. If you pass the rest area in the forest and climb a little further, you will come across the stairs leading up to Andongru, where you can enjoy a panoramic view of Andong Dam.

- 423 Sanga-dong, Andong-si (top of dam)

Sinsedong Mural Village

This is a healing box in the city where you can see downtown of Andong at a glance and feel the unique sensibility of a small village.

- 2, Dongbu-gil, Andong-si (village starting point)

Imcheonggak

This is the birthplace of Seokju Lee Sang-ryong, who served as the first Prime Minister of the Shanghai Provisional Government, and established the Shinheung Military Academy, laying the foundation for the armed independence struggle, and personally practiced noblesse oblige.

- 63, Imcheonggak-gil, Andong-si
- 054-859-0025
- www.imcheonggak.com

Nakdong River Music Fountain

The Nakdong River Music Fountain, which is 20m high and 30m wide, is not only a high elevation fountain, but also makes a variety of laser shows that combine straight lines and curves along with sweet music to satisfy visitors' five senses.

- Operating hours (May – October): Weekdays – 20:00 (total 50 minutes) / Weekends – 14:00, 20:00 (total 50 minutes)
- 218-12, Yuksa-ro, Andong-si

ANDONG TOUR

3

NORTHEAST AREA

Bongjeongsae Temple

This temple has Gaungjaejeon, the oldest wooden building in Korea, as well as Daewongjeon, Hwaom Auditorium, and Gyeongmudang built during the Joseon Dynasty, being a valuable resource for architectural research. There are also buildings such as the three-story stone pagoda, Manseru, and Yosachae built during the Goryeo Dynasty, as well as attached hermitages such as Yeongsanram and Jijam. In June 2018, the 42nd World Heritage Committee registered seven temples, including Bongjeongsae Temple as UNESCO World Heritage Sites as 'Mountain Temples, and Mountain Monasteries of Korea'.

- 222, Bongjeongsae-gil, Seohu-myeon, Andong-si
- 054-853-4181
- www.bongjeongsae.org

Icheon-dong Ma-ae-yeorae Ipsang

This standing statue is called 'Jebiwon Mireuk, a rock-carved Buddha from the Goryeo Dynasty with a 10m high body carved into a granite stone wall and a 2.5m high head laid on the body.

- San 2-1, Icheon-dong, Aadong-si

ANDONG TOUR

4

DOSAN AREA(NORTHEAST AREA)

Dosan Seowon

Dosan Seowon is a school built by Toegyee Lee Hwang, the greatest Confucian scholar in Korea, known as the Haedong Confucian scholar, to build Dosan Seodang and educate students after he passed away and commemorate the teacher's high virtue by his disciples and Confucian scholars.

- Summer season(March – October): 9:00 AM - 6:00 PM(30 minutes before the last admission) / Winter season(November – February): 9:00 AM - 5:00 PM(30 minutes before the last admission)
- 154, DosanSeowon-gil, Dosan-myeon, Andong-si
- 054-856-1073
- www.dosanseowon.com

Andong Gunja Village

This village is a historic site where the buildings designated as cultural assets and other old houses, which have been inhabited by the clan of Gyeongsan Kim family for 600 years for over 20 generations, were relocated to avoid being submerged due to the construction of Andong Dam in 1974.

- MBC drama: "Lovers" (2023), SBS drama: "Ghost" (2023), etc.
- "Physiognomy" (2013), etc.
- 41, gunja-gil, Waryong-myeon, Andong-si
- 054-852-5414
- www.gunja.net

Gosanjeong Pavilion

Gosanjeong is located below Gasonghyeop, one of the eight scenic views of Andong. It is surrounded by external and internal mountains like a folding screen, and across Gasonghyeop, the upper stream of the Nakdong River, Doksan Mountain rises along with pine trees, creating a spectacular view.

- tV Drama: "Mr. Sunshine" (2018)
- SBS Plus: "ENA Entertainment: "1 Am Solo" (2023), etc.
- 054-856-3013

Confucian Culture Museum

The Confucian Culture Museum is an affiliated institution of the Korean Studies Institute and carefully selects and exhibits materials with high cultural value among the Korean studies materials donated by the private sector. You can access "Korean Confucian Bookplate," a UNESCO Memory of the World heritage site, and "Korean Framed Pictures," through an open storage room.

- Summer season(March – October): 9:00 AM - 5:30 PM(1 hour before the last admission) / Winter season(November – February): 9:00 AM - 5:00 PM(1 hour before the last admission)
- 1997, Toegyee-ro, Dosan-myeon, Andong-si
- 054-851-0700
- www.koreastudy.or.kr

Toegyee Jongtaek

In 1929, the 13th generation of Toegyee Lee Hwang restored Toegyee's Head Residence to its original size. It is a "□" shaped building with 6 rooms on the front and 5 rooms on the side, and has a tall gate on the front.

- 268, Baegu-ro, Dosan-myeon, Andong-si
- 054-856-1074

Seonbi Walking Path

This route is a 98km walking trail with 9 courses along the waterside of Andong Lake. You will encounter beautiful natural scenery, Seodang, Seowon, Hyanggyo, and old houses, and you can also find traces of scholars including Toegyee Lee Hwang.

- Dosan-myeon, Andong-si

Yekki Village & Seonseonghyeon Cultural Complex

Yekki Village(with a talent for art) brought art to the stagnant village by creating a mural alley and improving signboards. Seonseonghyeon Cultural Complex is a place where you can experience history and culture by recreating the old appearance of the government office. It also operates a Seonseong water path on the lake and a Hanok experience center that provides accommodations.

- 14, Seonseong-gil, Dosan-myeon, Andong-si

Korean Culture Theme Park

This park is a place where you can escape from everyday life and experience a time travel to the mountain fortress village of Joseon Dynasty in the 16th century. It is a place where you can experience history, culture, and life with themes such as volunteer experience center, archery experience, male and female scholar transformation room, bomb escape room, permanent performance viewing, and Yeonmudae experience.

- 9:00 AM – 6:00 PM (1 hour before the last admission), closing every Monday
- 301, Wolcheon-gil, Dosan-myeon, Andong-si
- 054-857-9912

- 054-850-4595

“Look up ‘Andong Marketplace’ on search engines.”

ANDONG SPECIALTIES

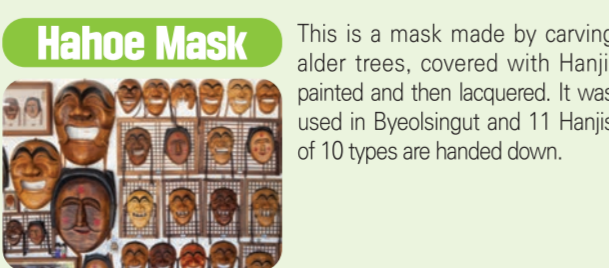

Andongpo

Andongpo, considered the best fabric due to the influence of climate and soil, is a thin, yellow hemp fabric that was presented to the palace in the past. Andongpo is produced in Geumson, Imha-myeon, and was designated as the first intangible cultural asset of Gyeongsangbuk-do.

Andong Hanji

Andong's Poongsan Hanji, which boasts world-class materials, is made using traditional processing methods using domestic natural mulberry trees, has excellent absorbency and dissipation properties, and is used for window paper, wallpaper, rice paper, and crafts.

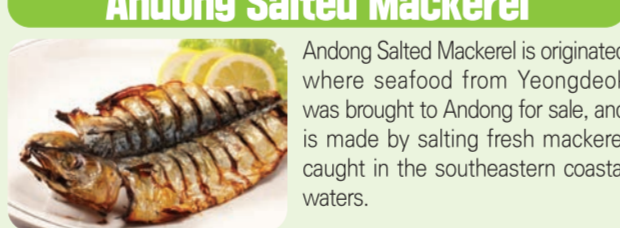

Hahoe Mask

This is a mask made by carving alder trees, covered with Hanji, painted and then lacquered. It was used in Byeolsingut and 11 Hanjis of 10 types are handed down.

Andong Soju

Andong Soju is a grain alcohol brewed three times from rice, and is characterized by the distillation method that has been passed down from famous families in the Andong region, and was designated as Gyeongsangbuk-do's Intangible Cultural Heritage No. 12.

Andong Salted Mackerel

Andong Salted Mackerel is originated where seafood from Yeongdeok was brought to Andong for sale, and is made by salting fresh mackerel caught in the southeastern coastal waters.

Andong Heotjesatbap

This bibimbap is made using the same ingredients of the ancestral rite food, following the Andong custom of eating bibimbap as ancestral rite food after an ancestral rite.

Andong Jjimdak

This is a food that combines vegetables such as potatoes, spinach, and green onions with chicken and glass noodles to create a harmonious combination of spicy, sweet, and light taste.

Andong Korean Beef

Andong Korean cow, raised through a unique breeding method in a clear and clean natural environment, provides high-quality beef with a unique taste and aroma due to even distribution of fat in the meat.

Andong Sikhye

This is a traditional drink made by mixing hard-boiled rice with radish, red pepper powder, ginger juice, malt, and water and fermented to create a cool, spicy, and sweet taste. This can only be tasted in Andong.

Chrysanthemum Tea

Andong's chrysanthemum, which is carefully cultivated in clean Andong and the tea undergo rigorous processing procedures, is a high-quality health tea that preserves the unique taste, color, and deep aroma of chrysanthemums.

264 Green Grape Wine

This wine has a rich fruity flavor and refreshing acidity, so it goes well with Korean food, and is receiving good reviews as it undergoes winemaking, maturation techniques, and quality testing.

Andong Ginger Extract

Andong ginger is grown with the energy of the fertile land of Andong, and is manufactured by inheriting the taste of Andong noble families. This product boasts the highest quality because it is processed using 100% raw ginger.

I Andong International Mask Dance Festival

This is an international mask dance festival held every year to establish Andong as a world-class tourist city and to globalize traditional culture. In this festival, a feast of traditional dances representing countries around the world are held.
